This Certificate of Compliance has been issued by Unimed or one of its associated companies. It has been issued to the vessel named on the certificate with the IMO registration number as shown.

The certificate has been issued, based on the information supplied by the owner/master of the vessel and a resupply of medical items to bring the vessel in line with the guidelines and requirements set forth for the minimum standards for the ship medical chest.

A physical inspection or remote audit of the medicines and medical supplies has been carried out by Unimed or associated companies and is based on the information provided by the owner/master of the vessel. In the event that any or all of the information/data supplied is inaccurate or withheld, this certificate will be deemed as void and a new inspection or audit will need to be carried out.

In the event of a re-flag, a new certificate will be required, based on the adjusted medical scale. This certificate is NOT transferable. For full terms and conditions of sale and supply, please contact Unimed.

A handwritten signature in blue ink, appearing to be "Colin Rees".
